

2018 Summer Reading Program

Dear Parent/Guardian:

Your child is invited to join the 2018 Summer Reading Program. The program is offered to children who have completed Kindergarten through 4th grade (entering 1st grade through 5th grade) in the fall. The program is **free** and open to children of all abilities.

This summer's theme is **Libraries Rock!**

Programs will be offered each weekday beginning on **Monday, June 4** through **Friday, July 27, 2018** – excluding Wednesday, July 4.

Programs **begin promptly at 10 a.m.** at the Waurika Public Library. Lunch will be served daily at 11:30 a.m. for **all** school-aged children.

You must be present to pick up your child(ren) at noon.

The public library, community organizations and individuals care about your children. Together we raised funds to offer daily educational programs and week-day lunches to keep your children's minds and bodies fed this summer. Whether keeping track of the amount of time your children spend reading or the number of books they've read this summer, children who attend the Summer Reading Program keep their minds active and enter the new school year ready to succeed.

Sincerely,

Waurika Public Library and the Summer Reading Program Committee

Please register your child(ren) by completing the Registration Form and returning to Waurika Public Library or elementary school office by Friday, May 11.

These programs are supported in whole or part by the Institute of Museum and Library Services through the Library Services and Technology Act, administered by the Oklahoma Department of Libraries.
