

2023 Summer Reading Program

Dear Parent/Guardian:

Your child is invited to join the 2023 Summer Reading Program. The program is offered to children who have completed Kindergarten through 4th grade (entering 1st grade through 5th grade) in the fall. The program is **free** and open to children of all abilities.

This summer's theme is **All Together Now**.

Programs will be offered each weekday beginning on **Monday, June 5** through **Friday, June 30, 2023**.

Programs **begin promptly at 10 a.m.** at the Waurika Public Library. Lunch will be served daily at 11:30 a.m. for **all** participants in the program, and at 12:30 p.m. for all other school-age children.

You or a designated guardian must be present to pick up your child(ren) at noon unless they are approved to walk/ride bike home.

The public library, community organizations and individuals care about your children. Together we raise funds to offer daily educational programs and week-day lunches to keep your children's minds and bodies fed this summer. Whether keeping track of the amount of time your children spend reading or the number of books they've read this summer, children who attend the Summer Reading Program keep their minds active and enter the new school year ready to succeed.

Sincerely,

Waurika Public Library
